RELEVANT WORK
EXPERIENCE

From 13/03/2026
- Present

Chief Scientific Officer and Co-founder

Archive My Legacy (Luxembourg)

- Director of research in Automatic Story Generation and Computational Narratology;
- AI applied scientist;
- Communication, outreach, networking.

From 01/11/2024
- Present

Knowledge Management Assistant

Reference Data Team - Data and Format Standardisation Service - Data, Information and Knowledge Management Services and Artificial Intelligence Exploitation

Publications Office of the European Union (Luxembourg)

- Content organization and maintenance; Metadata and taxonomy support; Database and repository administration; User support and training; documentation drafting; automated workflows; alignments creation and curation.

From 01/11/2021
to 05/12/2025

PhD in Artificial Intelligence

AI Italian National PhD program

University of Pisa and University of Naples "L'Orientale"

EQF 8

- **Dissertation:** Neurosymbolic Narrative Generation for Cultural Heritage.
- **Main activities:** Drafting and presenting scientific papers in fields of Computational Narratology, Knowledge Discovery, Historical Cryptology and Automatic Story Generation; conduction of experiments; participation in international NLP-taskforces.
- **Passed examinations:** Emotion detection using non-invasive biometric sensors; Design Thinking for Scientists; Introduction to Network Science; Explainable Artificial Intelligence; Neuro-symbolic AI (with applications to NLP); Continual Learning; Human-Centered AI (HCAI); Statistical and Machine Learning Models for Time Series Analysis; Cognitive Science for AI; Epistemic Logic Programming.

From 13/01/2020
to 14/04/2021

ERP Implementation Technician (German/English)

Fenetech Europe, Bertrange (Luxembourg)

- ERP Software Configuration, Functions Scripting (Visual Basic), Methodology Documentation, Reports Creation (VisualStudio, SSRS), Database Management (T-SQL, SSMS).

From 01/03/2019 to
30/09/2019

Schuman Trainee, Terminology Department - European Parliament

European Parliament, Kirchberg (Luxembourg)

- Web Development and Content Writing (Wordpress, HTML, JQuery, PHP, AdobeMuse 2018, SketchEngine, SynchroTerm).

From 15/07/2018
to 28/02/2019

IT-Developer for Training Zone Platform

EUROCONTROL, Kirchberg (Luxembourg)

- Full-stack Web Development (VisualStudio 2012 - C#, T-SQL, HTML, CSS, JavaScript)

EDUCATION AND TRAINING

From 10/2015
to 03/2018

M.A. in Computational Linguistics, Overall grade: 2.7

EQF 7

University of Trier, Germany

- Natural Language Processing; Intelligent Systems; Algorithms and Data Structures; Semantic Information Systems; Information Visualization; Synergetic linguistics; Quantitative Linguistics; Digital Libraries; Functional Programming; Information Retrieval; Corpus Linguistics; Ontologies; Digital Humanities; Computational Narratology.

From 11/2014
to 07/2015

Further exams

EQF 6

(University of Naples, mandatory exams for Master's acceptance requirements)

- Mathematical statistics; General Linguistics; Historical Linguistics and Glottology; Coding I (C++).

From 10/2011
to 10/2014

B.A. in Philosophy, Overall grade: 110/110 cum laude

EQF 6

University "Federico II" of Naples, Italy

- Aesthetics; Philosophy of History; History of Ideas; Language Philosophy; Moral Philosophy; History (Roman, Medieval); Ancient Philosophy; Pedagogy; Theoretical Philosophy; Logics.
- Contemporary History (passing grade: 1,7. University of Düsseldorf "Heinrich Heine", Erasmus Programme, Germany)

From 09/2006
to 07/2011

High school Diploma, Overall grade: 100/100

EQF 5

Scientific High School "Filippo Silvestri", Portici (NA).

Conferences, Workshops and Summer Schools

Paper Presentation/
Invited Speaker

- Communications in Computer and Information Science, August 2026: *Serendipitous Wikipedia-Path Mining for Weighting Narrative Knowledge Graphs*;
- Conference paper at HistoCrypt 2026 (co-author with Louie Helm), June 2026: *A Medieval Czech Penitential Prayer Behind the Cryptographic Enigma of Santa Maria La Nova?*
- Conference paper at CMN 2026, June 2026 (co-author with Florentina Armaselu): *Surprisal and Predictability in Grimm's and AI-generated Tales: A Study in Computational Narrative Aesthetics*;
- Conference paper at Text2Story in ECIR 2026, March 2026: *Rethinking TRIZ for AI-Driven Narrative Generation*;
- Conference paper at KDIR2025, September 2025: *The WikiWooW Dataset: Harnessing Semantic Similarity and Clickstream-Data for Serendipitous Hyperlinked-Paths Mining in Wikipedia*;
- Conference paper at LDK 2025, September 2025: *The EuroVoc Thesaurus: Management, Applications, and Future Directions*;
- Conference paper at Histocrypt 2025, July 2025: *DECODE2LOD: Connecting the DECODE Database with the Linked Open Data Cloud*;
- Conference paper at Histocrypt 2025, July 2025: *A New Attack on the Mysterious Inscription of Santa Maria La Nova*;
- Conference paper at CMN2025, May 2025: *FracTale: Assessing the Correlation Between Narrative Beauty and Self-Similarity in Grimm's Folktales*;
- Journal of Computational and Cognitive Engineering, September 2024: *HILDEGARD: Human-in-the-Loop Data Extraction and Graphically Augmented Relation Discovery*;
- Short paper at SEMMES - ESWC 2024, Hersonissos, Greece (May 2024): *Modelling Interestingness: a Workflow for Surprisal-based Knowledge Mining in Narrative Semantic Networks*;
- Position paper at LREC-COLING 2024 (co-author), Turin, Italy (May 2024): *From Linguistic Linked Data to Big Data*;
- Invited speaker at DE CIFRIS ERUDITORUM 2024, Trento, Italy (March 2024): *Epigrafi Crittate nelle Chiese Antiche*;
- Invited audience panellist at TC45, ECCL, Luxembourg (November 2023);
- Research Paper at 2ICEAI 2023, Porto, Portugal (November 2023): *No AGI without XI, no XI without I²: ethical paradoxes and borderline situations in Artificial General Intelligence*;
- Paper at HHAI2023, Doctoral consortium conference track, Munich, Germany (June 2023): *Neurosymbolic Narrative generation for Cultural Heritage*;
- Research paper at HistoCrypt2023, Munich, Germany (June 2023): *Encrypted epigraphy - the case of a mysterious inscription in the Neapolitan church of Santa Maria La Nova*;
- Short paper at Text2Story2023 - ECIR2023, Dublin, Ireland (April 2023): *Modelling Interestingness: Stories as L-Systems and Magic Squares*;
- Talk in Poster Section at QUALICO 2020, National Institute for Japanese Language and Linguistics, Tokyo, Japan (September 2021): *Text as time series, time series as function: information theory and signal processing in text analysis*;
- Talk at the TaCoS 2018, University of Potsdam (June 2018): *Self-similarity in texts: fabulous contributions to computational narratology*;

Attendance

- HiT-IT 2023, Naples, Italy (July 2023); Terminology Summer School 2023, Naples, Italy (July 2023); M3G training school for Creative natural language generation, Venice, Italy (September 2022); HistoCrypt 2022, Amsterdam, Netherlands (June 2022); Workshop on Semantic interoperability for the multilingual web, Luxembourg (June 2019); JIAMCATT 2019, Luxembourg (May 2019).

Awards

- June 2026 - AI Café Competition, with *Archive My Legacy* finalist;
- September 2017 - „Erichie“ Literature prize (Under 25), placed first;
- April 2015 - „Campiello“ Literature prize (Under 22), semifinalist;
- Juni 2011 - „Subway“ Literature prize, finalist.

Memberships

- AtlantIQ Society (since June 2016);
- IQLA (International Quantitative Linguistics Association, since January 2021);
- Member of COST Action 18209 - Working Group 2 & 3 (Linked data-aware NLP services);
- Task leader of COST Action 18209 – WG 3.1 (01.03.23-30.05.23);
- Member of COST Action 18231 - Working Groups 2 & 4;
- Europeana Network Association and EuropeanaTech Community;
- AILC (Italian Association for Computational Linguistics).

Scholarships and grants

- DAAD Scholarship/ October 2017 - March 2018; October 2015 - June 2016;
- ERASMUS Scholarship/ April 2014-July 2014;
- COST-TRAINING_SCHOOL-CA18231/ 19-23 September 2022;
- 5th Summer Datathon on Linguistic Linked Open Data (SD-LLOD-23) / 11-16 June 2023;
- J.T. Schwartz International School for Scientific Research, 10-14 July 2023;
- International Summer School on Knowledge-Driven Innovation & Entrepreneurship, 24-28 June 2024.
